Deposits and says: I was standing on top of the train trestle where it crosses Elm Street with Austin Miller. He saw the motorcycle come around the corner and I heard something which I thought was fireworks. I saw something hit the pavement at the left rear of the car, then the car got in the right hand lane and I heard two more shots. I heard a woman say "Oh no" or something and grab a man inside the car. I then heard another shot and saw the bullet hit the pavement. The concrete was knocked to the South away from the car. Then it hit the pavement in the left or middle lane. I then went down to my car radio to see if I could find out what happened. After I came back up, a policeman asked me if I had seen anything and brought me to the Sheriff's Office.

Who, after being by me duly sworn, on oath deposes and says: I am superintendent of the Texas School Book Depository, 511 -in Street in Dallas, Texas. I was working in that capacity yesterday Friday November 22, 1963. I saw 19 employees in the plant. Lee Harvey Oswald was one of these employees. We considered him a temporary employee. We work a lot of extra employees during the summer and fall. Mr. C. M. Campbell, one of the clerks, and I started to lunch a few minutes after 12:30 o'clock. We saw that the parade was nearly done to us, so we stopped and watched the President go by. After the President passed, we heard what sounded like an explosion. I heard three such explosions. Then I realized that they must have been shots. I saw an officer break through the crowd and go into our building. I realized he did not know anything about the building, so I ran in with him. The officer and I went through the shipping department to the freight elevator. We then started up the stairway. We hit the second floor landing, the officer stuck his head into the lunch room area where there are coke and candy machines. Lee Oswald was in there. The officer had his gun on Oswald and asked me if he was an employee. I answered yes. We then went up the stairs to the 5th floor where we found the elevator open. We took the elevator to the 7th floor and out on the roof. We searched the roof and a small room, also checked the landings. We could look out over the tracks and street below. We did not find anything. We started down on the elevator. The officer took a hurried look on a couple floors on the way down. We then met some other officers on the 14th floor controlling the building. I overheard someone say that the shot came from the window of our building. By that time there was several people in the building. Some fifteen minutes later I was checking our employees, and I did not find Lee. I asked Mr. Stealy if he had seen Lee. He said no. I then contacted Chief Landrum and he told me Lee was missing. Then both of us went up on the sixth floor where Captain Fritts was and I told Captain Fritts about Lee being missing and where he lived. I did not see Lee Oswald any more. We don't run a thorough check on our temporary employees. They fill out an application form. In Lee Oswald's case, a lady from Irving called and said a neighbor had a brother working for me, and he had said we could use some more help. This woman said she knew a nice young boy
